

The United States Attorney's Office Northern & Southern Districts of Indiana *present:*

ANNUAL LAW ENFORCEMENT CONFERENCE

September 3-5, 2014

Sheraton Hotel at Keystone Crossing
8787 Keystone Crossing, Indianapolis, IN 46240

This event is open to law enforcement officials, prosecutors, probation/parole officers and victim advocates. Throughout this 2 ½ day event, you will have the opportunity to network with fellow law enforcement officials from the State of Indiana. We are expecting this event to fill all 400 plus slots very quickly.

This year's event is a combined partnership between the Northern and Southern District of Indiana U.S. Attorney's Office and the Indiana Criminal Justice Institute. In years past, the Northern and Southern Districts held separate conferences in the spring and fall of each year, sometimes covering the same topics. This year we have combined forces to focus on one main conference that will bring law enforcement throughout the State together as a unified front to address key law enforcement issues related to; terrorism, active shooters, survival and much more.

Featured Presenter:

Lt. Col. David Grossman

Col. Grossman is a former West Point psychology professor, Professor of Military Science, and an Army Ranger who has combined his experiences to become the founder of a new field of scientific endeavor, which has been termed "killology." In this new field Col. Grossman has made revolutionary new contributions to our understanding of killing in war, the psychological costs of war, the root causes of the current "virus" of violent crime that is raging around the world, and the process of healing the victims of violence, in war and peace.

Col. Grossman is an Airborne Ranger infantry officer, with a total of over 23 years experience in leading U.S. soldiers worldwide. He retired from the Army in February 1998 and has devoted himself to teaching, writing, speaking, and research. Today he is the director of the Killology Research Group, and in the wake of the 9/11 terrorist attacks he is on the road almost 300 days a year, training elite military and law enforcement organizations worldwide about the reality of combat.
